## PUBLIC SCHOOLS OPEN.

Prospects Point to a Highly Suc-  
cessful Term—The Capacity Will  
be Tested.

The Mexico Public Schools opened  
this year's session on Tuesday, Sept. 9.  
Indications point to a largely in-  
creased attendance both by resident  
pupils and out-of-town pupils. It is  
thought possible that the capacity of  
the north and south side schools will  
be tested to their utmost.

The introduction of manual train-  
ing in the high school department will  
be an innovation. R. B. Harsh, of  
Columbia, will be in charge of this de-  
partment and with Basil Brewer, of  
Kirkville, in place of R. C. Thompson,  
as teacher in the science depart-  
ment, will be the only change in the  
1901-1902 corps of teachers. A com-  
pleted list of the teachers follows:  
Superintendent, D. A. McMillan.  
Supt. High School, Miss Martha  
Shea.  
Supt. South Side School, William  
Eller.  
Supt. Garfield School, J. J. Hicks.

**Dr. Henry Turner.**  
Dr. Henry Turner moved to Mexico  
this week, where he has located for  
the practice of his profession. We  
congratulate our neighboring city  
upon securing this talented young  
doctor and his excellent wife. There  
is no better folks, but we are not  
acquainted with them. Dr. Turner is  
not only a ripe scholar, but he also  
carries a remarkably large head upon  
his shoulders, having plenty of good,  
sound sense, and we predict for him a  
very bright future in his chosen pro-  
fession.—Centralia Courier.

**Hook Wins at Monroe.**  
John Hook, of this city, who is hand-  
ling a string of horses out of Paris,  
Mo., made some good winnings at the  
Monroe city fair.

He won first on 3-year-old stallion,  
saddle gelding, 3-year-old saddle mare  
and roader.

He won the 235 pace in straight  
heats, best time 2:24. The county  
troop was hand Silver Wilks.

The Barber Bros. say: We under-  
stand a Mexico real estate firm re-  
cently negotiated for the Joe Jones farm  
near Rush Hill at \$60 per acre, having  
in view a party who said he would pay  
\$65 for the same. The firm paid \$1,000  
down to secure the parcel, but the  
owner of the third part failed to make  
his appearance again.

"strenuously" for more paved streets  
in Mexico. It is rumored "Bob"  
White is contemplating the purchase  
of an automobile.

Barnard says his sales last year netted  
him \$17,000.—Kansas City Journal.

B. B. Turenman has sold his farm of  
about 120 acres, near Rush Hill, to W.  
F. Shields for \$5,000.

Miss Dora Gallop is home from a  
visit of several weeks at Macon.

Miss Margaret Maule McCoy, who  
attended Hardin College in this city  
several terms, and who has visited here  
a number of times since, was married  
at the home of her parents, Dr. and  
Mrs. H. F. McCoy, in La Porte, Tex.,  
on Monday, Sept. 1, to Arthur Milton  
Sayers, of Kansas City. The groom is  
a nephew of Governor Sayers.

## TRIP IN THE ORIENT.

Miss Annie Patton Describes Trip  
Taken With Her Sister, Miss  
Floy, in Japan.

Miss Annie Patton writes the fol-  
lowing interesting letter to her par-  
ents in this city. Miss Annie, in com-  
pany with her sister, Miss Floy, are  
missionaries in Japan.

Atsuta, August 1.—It does seem  
such a long time since we have heard  
from you and we do long for your let-  
ters. We have been here in this Mis-  
souri village for about a week with Miss  
Ritson and Mrs. Warren; we are in an  
ideal house for a summer rest, up on  
the side of a mountain and surrounded  
by trees with a spring of delicious  
water bubbling out of the mountain  
just behind the house. Sister and I  
each have a room. I have the front  
one as I study some every morning.  
The view is beautiful. We find Mrs.  
Warren and Miss Ritson such nice  
company, and Mrs. Warren is such a  
good housekeeper, so we are having a  
very good rest, which we both needed,  
and have had just a week earlier than  
we expected for it turned hot very  
suddenly, so we decided at about 10  
o'clock a week ago to leave that  
evening by the 9 o'clock boat and we  
were very thankful that we had  
thoroughly cleaned the house and  
sun-dried everything the day before, as  
we had been having a good deal of  
rain, and then, too, we had sent our  
baggage all on the day before, for it  
was brought up the mountain on an  
ox cart and reached here just about  
two minutes after we did. So all we  
had to do was to put things away and  
pack our little grips and prepare our  
lunch for the journey. Sister, having  
her little woman with her, as she had  
not been well for some time, and as  
such a sweet, dear girl. We went on  
board the steamer at about half-past  
eight in the evening, just in time to  
see a most beautiful sight. It was an  
offering to the gods of water—beaten,  
of course—but it was truly a beau-  
tiful sight. The river was filled with  
lighted boats in all sorts of beautiful  
designs, and some had music in them  
and on the bank of the river at  
intervals were huge bonfires with  
various colored lights and some of the  
most beautiful fireworks I ever saw  
in the shape of chrysanthemums and  
other things. After watching it for  
an hour and a half from the deck we  
sailed out over a glassy sea just as the  
moon rose in her beauty. It was a  
most delightful evening. We reached  
Osaka between six and seven the next  
morning. We took jinnickshas and  
rode to the station, where we had to  
wait for the eight o'clock train, where  
Miss Ritson and Mrs. Warren found  
us to their great surprise, for we had  
not decided when they left the morn-  
ing before. Miss Ritson had her little  
woman, and they were all very glad  
to see us. We were all very glad to  
see each other, and we were all very  
glad to see each other, and we were all  
very glad to see each other, and we were  
all very glad to see each other, and we
